### \*\* IMPORTANT!! PLEASE READ \*\*

We must have an import permit for your order if your country requires it. If you cannot include the import permit with your order, it must arrive two weeks prior to the shipping date. We cannot ship your order without one. If your country requires barerooting and you do not wish to have your plants barerooted, you must send an official letter from your Dept. of Agriculture waiving this requirement. The United States Dept. of Agriculture will not authorize shipment otherwise. An import permit is not currently required for shipping rhododendrons into Canada. If you have any questions please e-mail/write, call, or fax our office.
