

Paver Program Details

- The rectangular paver stone measures 9.5 inches by 6 inches and is earth-toned in color.
- After subtracting the cost of the stone and engraving, your donation is tax deductible.
- Without a logo, the word limit is fifteen characters per line for up to four lines of text. With a logo, text is limited to two lines only.
- The location of the paver stone will be as specified on the order form; either inside the Rutherford Conservatory or outside on the Conservatory Terrace. Placement of the paver will be at the discretion of the engraver. We attempt to artfully space the engraved stones with the non-engraved stones.
- Paver stones are engraved three times per year; timing is dependent upon the volume of stones to be engraved and seasonal considerations.
- You will be notified when your paver stone is engraved.

Our Mission

The Rhododendron Species Foundation (RSF) is a non-profit organization dedicated to the conservation, research, acquisition, evaluation, cultivation, public display and distribution of *Rhododendron* species.

The Garden provides education related to the genus and serves as a unique resource for scientific, horticultural, and general gardening communities worldwide.

Paaver Program Order Form

Be a part of RSBG History...

The RSBG Engraved Commemorative Paver Program enables you to make your mark on Garden history by purchasing a paver stone engraved with your name, family or organization name, or the name of someone you would like to honor at the Rutherford Conservatory.

Each paver measures 9.5 x 6 inches and is earth-toned. Engraved paver stones make great gifts and are a wonderful way to support the Garden while creating a legacy for years to come.

All funds from the RSBG Engraved Commemorative Paver Program (minus the cost of the stones and engraving) go directly to support Garden operations and the conservation of *Rhododendron* species.
